

Art Analysis (Parker)

Hannah Fields

Directions: Research, analyze, and interpret various types of art. Art is the expression or application of human creative skill and imagination. Art can express a variety of ideas. Explore literature, paintings, sculptures, music, dance, architecture, or cinema. Select a category and select a piece of art within that category. Submit your analysis and art selection online. Present and discuss your art during class meetings.

1. Discuss your art category.
 - Music (Specific Song)
2. Who created the art? What is the title of the art? When was it created?
 - Masego is the creator, Tadow, created in 2018.
3. Summarize the art. What do you see or hear?
 - This song is a very chill and laid-back song, you hear many instruments and voices.
4. What does the art symbolize?
 - It symbolizes the expression the inexplicable synchronicity of human life and the sublime experiences of subjectivity and wonder.
5. What is the purpose/objective? Is it to inform, entertain, or persuade?

- The purpose of this song is to inform, entertain, and persuade.

6. Discuss the mood.

- The mood is very chill and laid back.

7. Discuss the theme.

- The theme is love at first sight.

8. Discuss the reason for your selection.

- I choose this song because I listen to it all the time and I love Masego. He is a very amazing and raw musician.

9. How does art imitate life?

- It represents what a lot of people might feel but can't really express it.

10. Would you recommend this selection?

- Yes, I would most definitely recommend this song it is just amazing.
