Music!

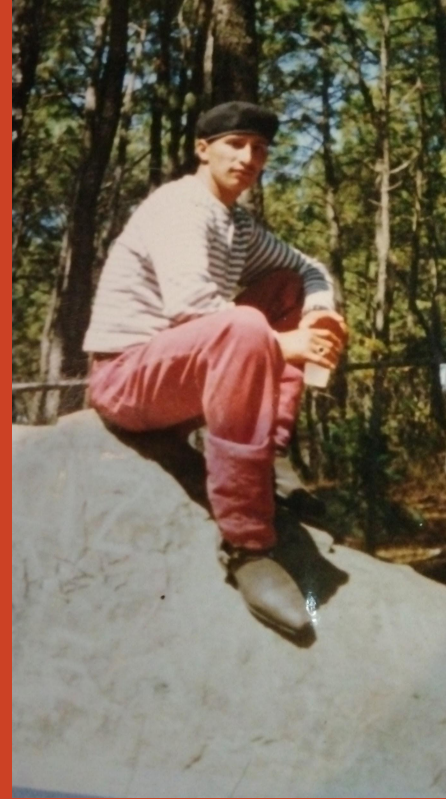

I grew up listening to people like Selena Quintanilla and Chalino Sanchez. Now, I also like other music genres and artists like Mamamoo.

Viva Mexico!

I'm from Michoacan, Mexico. My parents lived in different towns, my dad being from San Jose De Gracia and my mom being from Ojo De Rana. I have visited Mexico once and it was amazing. That is where I got these two pictures. One is of my dad and the other is my dad and mom.

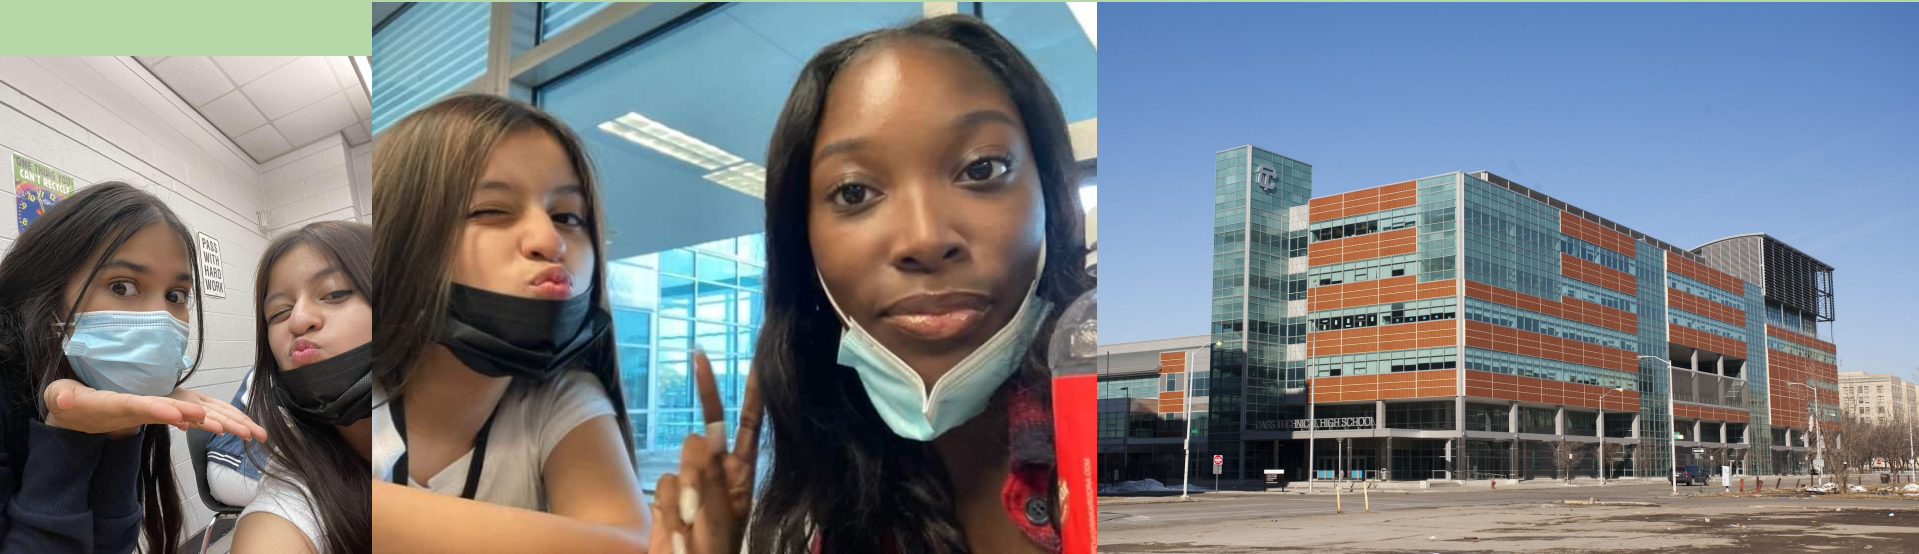

My friends are so important to me! I cannot imagine a world without me constantly bothering them.

Proud Ct Student!

I have made many new friends at Cass tech and I hope to make more in the future. At first I was scared to come to a new school but I have learned that new things can be good. So far I have been happy at this school.

Conclusion

In conclusion I have lived a very happy life and hope to live an even happier one in the future. I know that there will be many obstacles but in the end it will all be worth it.
