

# *Rebecca*

Brave, strong, and loving is what Rebecca is  
Daughter of Sophie and Brother of Martin  
Lover of being independent while being the head of her family  
Fear, anguish, sadness are the negatives that faced her  
Fear of loss, fear of death, and fear of the unknown could've been her  
fate

But she is a survivor of encounters with beings of an unknown realm  
She wanted to see her family whole again but this reality was not meant  
for her

Dweller of the City of Angels
