# Introduction

## HIDDEN FIGURES

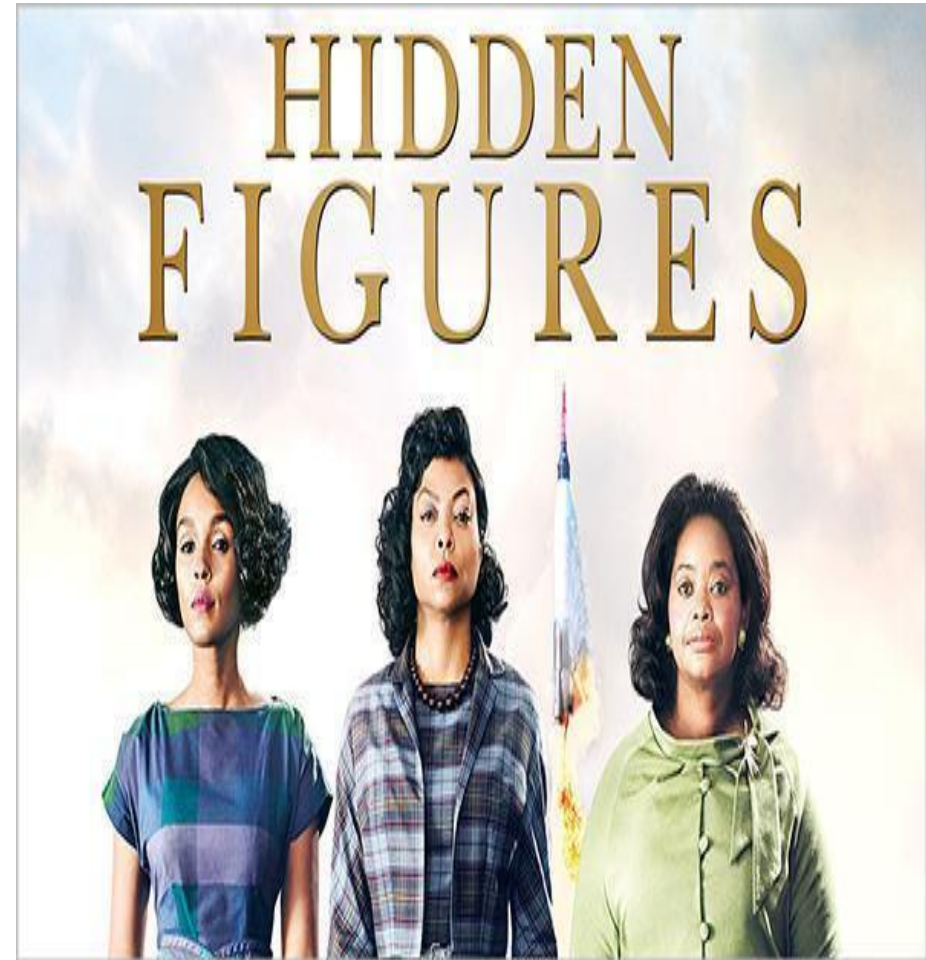

- **Hidden Figures is a movie about three brilliant African American women at NASA- Katherine Johnson, Dorothy Vaughn, and Mary Jackson serve as the brains behind one of the greatest operations in history: The launch of astronaut John Glenn.**

# Characters in Hidden Figures.

**Why you  
should watch  
Hidden  
Figures.**

# Reason 1: Influential

- This film is proof that you can be anything you want to be no matter the circumstances as long as you try and fight for what you believe in.

<https://www.youtube.com/watch?v=9j6p7ajuh-E&t=8s>

# Reason 3: Respect

- This movie teaches you to respect everyone around you no matter their race or gender.
- It also teaches you to respect your friendships and relationships with the people around you.

# Counter Argument

- Some people may not like or watch this movie because they might feel like some of the events in the movie are false. The racism and sexism in this movie may also be something people don't want to see.

## Conclusion

In conclusion, although a vital part of history was left out for a long time, this movie was created to reveal the untold story of 3 African American women, while also being influential, funny, and loving.
