

Tiana, Tiana
Smile like Butterflies
Long, healthy brown hair
Her demeanor is second to none

Daughter of Eudora and James
Both hard working, and so is she
Works as waitress day and night,
While saving up for her lavish life

Her love for cooking
Goal of opening her own restaurant
Dedication undefeated, yet unseen
But her shine is discovered by Prince Naveen

So passionate about her craft,
Dreams of becoming a success
Prince Naveen tells her she is the best
Following her father's footsteps
Cooking good food and making people happy

Tiana, Tiana
Voice like keys
Skin like Hershey's
Striving to be on top,
But is already one of one
